No compromise

Every CREVOISIER machine is a unique piece stamped with its own inimitable character.

Innovation and Perfection are values driving us to surpass our limits and achieve new goals.

Welcome to the world of CREVOISIER.

Ergonomic

An expressive design, with sleek lines and optimised floor space requirement.

SLINE2 range polishing stations meet the ergonomic standards in force, and provide a work space suited to current requirements.

Performance

SLINE2 range stations are equipped with a C551 machine with a CREVOISIER high-quality motor spindle, compatible with many of the brand's accessories.

Major innovation

The new CREVOISIER suction and filtering system provides 20% more power than the previous version, while reducing the noise level at your workstation to 62 decibels.
